(TAPE 1)(SIDE A)(256) AGENDA ITEM NO. 9: 0-040-2003 An ordinance of the Lafayette City-Parish Council requiring that all street vendors in Lafayette post a sign indicating a price schedule, motion to adopt as amended (amendment being *to delete "during various celebrations" and "from the cart" throughout the ordinance*) by Williams, seconded by Stevenson, and the vote was as follows

YEAS: Badeaux, Castille, Williams, Broussard, Trumps, Mouton, Stevenson, Menard

NAYS: None

ABSENT: Benjamin

RECUSED: None

Motion was unanimously approved.

Williams explained that this ordinance is designed to protect the public in that it will simply make sure that whatever the vendors are charging is consistently charged to all people that are buying their wares. This ordinance deals with vendors who obtain a permit from the Revenue Collection Department. Badeaux suggested that the phrase "*during various celebrations*" be taken out as the word "celebration" is limiting and to remove "*from the cart*" as there may be other containers for wares. The maker and the second agreed.

(TAPE 1)(SIDE A)(336) AGENDA ITEM NO. 10: 0-041-2003 An ordinance of the Lafayette City-Parish Council amending the FY 02/03 Operating Budget of the Lafayette City-Parish Consolidated Government by transferring \$20,000 from Council Reserve to the Office of Substance Abuse, CAO's office to cover the cost of removal and disposal of junked vehicles,

motion to adopt as amended (amendment being *to revise the \$40,000 to \$20,000*) by Castille, seconded by Mouton.

Marcus Bruno, Criminal Justice Support Service Administrator, presented the following information:

- A complaint of a junked/abandoned vehicle can be made through a Request for Service (RFS), a community/neighborhood meeting or officer initiated. Once a complaint is reported, an officer will investigate to confirm the vehicle meets the criteria of a junked/abandoned vehicle.
- Vehicles qualifying will be tagged with a Notice to Abate sticker. The vehicle owner, if known, is personally served with a Notice to Abate. If not located, a certified letter will be sent. The property owner is also served with a Notice to Abate, either personally or certified letter.
- Vehicles must be abated within fifteen days from notice. The vehicle/property owner may do one of the following:
 - Provide a current license plate, M.V.I. Sticker, and make the vehicle operable;
 - Place the vehicle in a properly covered and enclosed area;
 - Remove or cause the removal of the vehicle(s) from the property; or
 - Provide LCG a letter of authorization to remove and \$100.000 removal fee.
- After 15 days the following action is taken:
 - The vehicle or property owner or both are issued a Misdemeanor Summons by a law enforcement officer.
 - Vehicle is towed by the “Next in Line” wrecker.
 - If not claimed by owner and all fines/fees paid, vehicle becomes property of the wrecker company that towed/stored the vehicle.
- If removal fee of \$100 is paid, summons will be dismissed. If the removal fee is not paid, the defendant(s), if convicted, may be subject to a fine not to exceed \$500 or imprisonment not to exceed six (6) months, or both.
- Of the \$100 removal fee, \$20 will be used for Administrative fees and \$80 will be used for the cost of moving the vehicles. If the \$100 removal fee is granted, 400 vehicles per year can be towed.

Upon questioning by Stevenson, Bruno stated that O-025-2003 moved the duties of junked/abandoned vehicles from Public Works to Criminal Justice and set the removal fee at \$198 plus the \$100 (based on one vendor). This ordinance would allow for the current Police Department’s “Next In Line” wrecker program, which will allow for more wrecker services to work with and will be at almost no cost to LCG.

Trumps then asked how the \$40,000 figure was derived. Bruno explained that the figure came from the one vendor who would tow the vehicles for \$198 for 200 cars for a total of \$40,000. With this ordinance, 400 cars will be towed for \$40,000 and replenishing the funds with the fines paid. Trumps then offered the City-Parish Attorney the opportunity to review the new recommendations. A motion was offered by Broussard, seconded by Stevenson to defer O-041-2003 to the next Regular Council Meeting.

A motion was offered by Menard to amend the ordinance by reducing the allocation to \$20,000. The maker and the second approved. Broussard then withdraw his motion to defer.

Stevenson then asked if the \$100 removal fee could be placed in Bruno’s budget to fund the program instead of placing it in the General Fund. Weber answered that a budget revision could be done.

The Chair then called for a vote on the ordinance as amended, and the vote was as follows:

YEAS: Badeaux, Castille, Williams, Broussard, Trumps, Mouton, Stevenson, Menard

(TAPE 1)(SIDE B)(204) AGENDA ITEM NO. 11: O-043-2003 An ordinance of the Lafayette City-Parish Council advancing funds for the purchase of necessary furniture and equipment for the Assessor, directing the Administration to make such purchases and then bill and obtain reimbursement from all taxing entities within Lafayette Parish for their prorated share of the overall costs of said purchase, appropriating funds from the City and Parish funds for the Lafayette City-Parish Consolidated Government to make such purchases including its prorated share thereof, and anticipating reimbursement from all taxing entities within Lafayette Parish for their prorated share of the overall costs of said purchases, motion to adopt by Broussard, seconded by Mouton.

Conrad Comeaux, Assessor, stated that in speaking with Weber it was decided to request all funds needed at one time instead of coming back to the Council and the other taxing bodies time and time again. A revised request for \$191,477 has been made. He further explained that all taxing bodies would be paying less than anticipated because the bids for the software came in significantly more than anticipated and the Assessor's office will pay the overage over an extended period of time.

Weber then stated that the Administration is recommending that the Council approve the \$191,477, with the following conditions:

- That the taxing bodies are contacted to obtain their concurrence with their pro-rata share.
- Return \$200,000 of the \$322,584, allocated to the Assessor on October 18, 2001, to the General Fund.
- If the Assessor chooses to do renovations within his facility, he must 1) use his funds; and 2) check with Public Works.

A motion to amend (amendment being *to revise the \$83,997 to \$191,477 throughout the ordinance and to add a new Section 3: This ordinance is conditioned upon all taxing bodies concurring, in written form, that they will agree to pay their pro-rata share of \$191,477*) by Broussard, seconded by Stevenson, and the vote was as follows

YEAS: Badeaux, Castille, Williams, Broussard, Trumps, Stevenson, Menard

NAYS: None

ABSENT: Benjamin, Mouton

RECUSED: None

Motion was unanimously approved.

Upon questioning by the Assessor, President Comeaux stated that if a taxing body refuses to pay their pro-rata share, the issue will be brought back to the Council for further consideration. The Assessor rebutted that according to State law LCG is responsible for a loan to the Assessor's office and then must bill the taxing bodies for their prorata share.

The Chair then called for a vote on the ordinance, as amended, and the vote was as follows:
